SIGN PERMIT PROCEDURES

A sign permit is required for all new, renovated or relocating of any signs.

Part I – Location of Property – Address, Zoning District, Parcel Number, Lot & Block must be provided on all applications.

Parts II through VI – Complete every section.

Part VI – Sign and date application – If property resident is not the owner of the property, a notarized statement indicating the owner's approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and contractor may be reached. Contractors making application must provide a Certificate of Insurance verifying coverage for Worker's Compensation and their Federal or State Employer Identification Number (EIN).

VIII – Plot Plan – Show all dimensions of entire property (length x width and square feet of entire lot). Identify streets adjacent to property. Place all buildings with size dimensions (length and width) indicated, within property lines and indicate whether existing or proposed. The property owner is responsible for the accuracy of this plot plan. Any easements or deed restrictions must be indicated.

PLANS AND SPECIFICATIONS

Two (2) copies of all plans and specifications must be submitted with all applications for sign permit.

ADDITIONAL INFORMATION

Fees – Permit fees must be submitted with the permit application.

Review – The application will be reviewed by the Code Enforcement and Zoning Departments for compliance with all Borough Codes and Ordinances.

Permit Granted – Work may not start until a permit has been approved and granted. The permit must be displayed so as to be visible from the street.
