BOROUGH OF COLLEGEVILLE

Driveway, Sidewalk & Curb Permit Procedures

A Driveway, Sidewalk & Curb permit is required for all new, renovation, alteration or replacements.

PART I – Location of Property – Complete address including city, state and zip code must be provided on all applications.

PART II through V – Complete every section.

PART VI – Sign and date application – If property resident is not the owner of the property, a notarized statement indicating the owner's approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and contractor may be reached. Contractors making application must be registered with the township prior to starting construction.

PART VII – Plot Plan – Show all dimensions of entire property (length x width and square feet of entire lot). Identify streets adjacent to property. Place all buildings, with size dimensions (length and width) indicated, within property lines and indicate whether existing or proposed. Indicate front yard, side yard, and rear yard setbacks by showing the distance from deck to property lines on all sides. **The property owner is responsible for the accuracy of this plot plan. On-lot sewage disposal systems and/or any easements/deed restrictions must be indicated.**

PLANS AND SPECIFICATIONS

- **Two (2) copies of all plans and specifications must be must be submitted with all applications.**
- **DIMENSIONS – Show all dimensions of proposed work. (width and length)**

FEES – Permit fees must be submitted with the permit application. If paying by check, please make check payable to “Borough of Collegeville”.

REVIEW – The application will be reviewed by the Zoning Officer for compliance with all Borough Codes and Ordinances.

PERMIT GRANTED – **Work may not start until a permit has been approved and granted.** The permit cards are to be displayed so as to be visible from the street.
